REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-19 are allowed over the prior art of record because the prior art of record, considered in combination or individually, fails to suggest or fairly teach an optical disc apparatus, a method for servo adjustment, a computer-readable recording medium or a servo adjusting program including a combination of all features as recited in each of claims 1, 7, 13 and 19. Claims 2-6, 8-12 and 14-18 are allowed with their respective parent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

CITED REFERENCES

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The cited references relate to an optical disc apparatus having a jitter detection unit for detecting and measuring a jitter value of a signal outputted from an optical pickup and servo unit for performing a servo operation based on the measured jitter value.
